**Subject:** FW: [REDACTED] Case Docket [REDACTED]

Hi Jim,

The cert # for the Aviles case is: [REDACTED]

Sorry about that – the slips are generated by someone else and the info is getting dropped off for some reason.

The trial is scheduled for Monday, but I am starting a different trial that day. What is your availability in the next week or two, so that I have the info ready for scheduling purposes?

Cary
